A GROWING NEWSPAPER IN A GROWING COMMUNITY

Volume 52 Number 12 | CAMPBELL, SANTA CLARA COUNTY, CALIFORNIA | Thursday, February 6, 1947

'round town

with Betty Allen...

A few words this week about the new publisher. He is Patrick H. Peabody, better known as Pat, who has been in the newspaper business practically all of his life. He left Loyola Academy in Chicago when he was 17, to start his career with the City News Bureau of Chicago. He says he grew a mustache to make himself look older and the ruse must have been satisfactory for he soon left the News Bureau to spend three years on the Chicago Herald Examiner and the Chicago Daily News.

In 1934 he succumbed to the lure of the West and spent two years on the Call-Bulletin in San Francisco before coming to San Jose to work on the San Jose News. He had a varied three years there, working in the editorial, news and photography departments.

The Peabody Publications started in 1940 when he purchased the Los Altos News and the Sunnyvale Standard. Now included in the publications are the Campbell Press and the Saratoga Observer.

Between February of 1942 and September of 1945 Pat served in the Navy, receiving his discharge as a Chief Photographer's Mate. Photography, by the way, is his main hobby, and The Press readers will soon see some examples of his work.

He takes an active part in community and county affairs and was a member of the 1945 County Grand Jury. He is also a member of the Democratic County Central Committee and is now serving as president of the Sunnyvale Chamber of Commerce.

This year Pat will devote a lot of time to a work in which he is intensely interested—that of the California Newspaper Publishers Association. As a member of the State Advisory Council he will play an important role in the shaping of State-wide newspaper policies.

Pat, who has a quick Irish wit, writes a column called "Pat's Corner" for the Sunnyvale Standard which pulls no punches in dealing with local problems and concerns. He and his attractive wife, the former Yvonne Metzger of Noumea, New Caledonia, prefer the Santa Clara Valley over all places and make their home in Los Gatos.

Campbell Varsity Wins from S. C.

A fine defense, good hall handling and three pairs of sharp eyes sparked the Campbell High school varsity cagers to an overwhelming 43-19 victory over the Santa Clara high Panthers last Friday in the Panthers' gym.

In the preliminary game the flawless S.C. Lightweights whipped the out-clased Bucs 35-11.

The three pairs of sharp eyes in the varsity game belonged to Levi Estrada, Wayne Buck and Captain Ray Fish, who together tallied 34 of the team's 43 points, with 13, 11 and 10, respectively.

The Bucs forged into the lead early, leading 11-4 at the end of the first period and 19-7 at the half. Santa Clara was never really in the game. This was the fourth win in five starts for the locals and gives them undisputed claim to third place in the SCVAL. Mt. View and Los Gatos, both undefeated, rank ahead of the Bucs.

Campbell High's 30s fell behind at the start of their game and never caught up. Forward Monte Dayton paced the locals with five points, and the loss dropped the squad to seventh place in the league standings.

Friday night's games with Gilroy shouldn't press the Bucs too much as neither Mustang quintet has won a league encounter.

The games will be played at the local gym at 7:30 and 8:45 o'clock.

The top three league scorers on the Buc varsity are Ray Fish with 42, Levi Estrada with 39 and W. Buck with 24, while Bill Maggi-netti, Monte Dayton and Ron La Mar lead the 'thirties with 18, 15 and 13, respectively.

Driver Leaves Car In Middle of Street

The carelessness of an unidentified driver caused a serious accident which resulted in injuries to two women last Saturday night. Mrs. C. D. Price, accompanied by her daughter, Joyce, and her friend, Mrs. Veda Peterson, was driving on Campbell Ave., toward the San Jose-Los Gatos Highway. Just after passing Johnnie's Place she struck a car which had been left standing in the middle of the street without lights.

Mrs. Price received severe head and knee injuries, and Mrs. Peterson, in addition to shock and bruises, had facial cuts which required medical care; the daughter, Joyce, escaped with only slight bruises.

The unlighted car left so carelessly in the street was virtually undamaged while Mrs. Price's car was smashed badly from the impact.

During the excitement of the accident and the necessity of immediate medical attention the number of the parked car was not taken and when Mrs. Price went back to the scene a short time later the car and driver had vanished.

Theater Contributes Large Amount To March of Dimes

Jack Murdock, chairman for the March of Dimes in Campbell, reports that he has received a check from the Campbell Theater for $111.50, representing money contributed by patrons during the campaign. This, he says, is the largest amount ever collected at the local theater for this purpose.

Assisting Murdock is Mrs. William Blair who will, within the next few days, pick up the containers which merchants have put on their counters to receive their customers' contributions.

CAMPBELL VS. BALBOA
By DAVE WOODS

A last minute sucker shot by Wayne Buck, Campbell guard, gave the Buccaneer varsity a 23 to 22 victory over Balboa High School of San Francisco. The 130 exponent tilt was taken by the visitors, as they dumped the Bucs, 27 to 15. Balboa held a small lead throughout most of the game, and Campbell had to come back to play a torrid fourth quarter before they could claim victory. Actually Cross of Balboa shot a bucket just as the buzzer sounded, but Dardinelli, the timekeeper, ruled that the shot had come too late for credit. Ray Fish, forward, led the Bucs with six points, but Cross of Balboa took high point honors of the game with eight.

In the 30s game, Campbell fell way behind at the start and even a fast finish failed to catch the flashy Balboans. Milt Howe chalked up four points to lead the Bucs. Lockwood and Scott paced the visitors with eight each.

CAMPBELL PRODUCTS CO. MERGES

The Campbell Products Co., dehydrating concern which prepared a large amount of dehydrated foods for the armed services during the war, has merged with a sister company, and will now be known as the Campbell Packing Corporation.

Under the same management is the Dacota cannery in Dacota.

After the war, the company engaged in a new process, that of dehydrating potatoes, to furnish alcohol for Eastern distilleries. They are now dehydrating potatoes for edible purposes.

QUITO SCOTT HOME

Home from the hospital to convalesce from two major operations is Quito Scott who is reported as doing very satisfactorily.

No Charge For Organizations

Ira Grim, Chamber of Commerce president, states that the $2.00 registration fee for Old Settlers' Day parade is for merchants and business men only. Organizations may enter floats or marching units without charge.

The distinction is made because merchants' and business men's entries will derive advertising value.

Death Takes Aged Resident

After a long illness C. Eugene Whitney passed away at his Campbell home last Sunday. Mr. Whitney, who was 81 at the time of his death, had been an invalid for many years. He died in the same house in which his parents celebrated their 70th wedding anniversary.

Born in Sahila, Iowa, he came to Campbell 60 years ago and had resided in Campbell for 32 years. Before becoming ill he was a telegrapher.

Last June he and his wife, the former Luella Beebe of King City, celebrated their golden wedding anniversary.

The final rites were conducted at the Rutherford Funeral Home on Tuesday afternoon followed by interment at Oak Hill Memoroal Park. The Rev. Lawrence Osborne of the Methodist Church, of which Mr. Whitney was a member, officiated at the services.

Pallbearers at the funeral were Ed Peterson, Verne Walker, Louie Austin, Claude Grizzle, Walter Silberbauer and Fred Jones.

In addition to his wife, Mr. Whitney is survived by a cousin, Mrs. Blanche Swan of Paso Robles, and two sisters-in-law, Mrs. Clara Baldwin of Campbell and Mrs. W. H. Currell of King City.

EARLY BUILDING MOVED

One of Campbell's oldest buildings, a silent witness to the growth of the fruit industry here, was moved Monday from the California Prune and Apricot Growers to Hazelwood Ave. where it will be converted into a house.

The former office building is considered by old timers to be one of the first 25 buildings in Campbell. It was built by Buxton and Griffith in 1893 for an office from which the experiments in drying fruit were managed. The frame building looked out over 16 acres of drying fruit which amounted to 25,000 trays of California prunes lying in the sun.

In 1907 the building became the property of George H. Hyde who started the first cannery here. Next it was taken over by Rudy Eisenbrook and bore the legend "Campbell Packing Co." Its final ownership was that of the California Prune and Apricot Growers who leased it to the now non-existing West Coast Dehydrating Co.

HIT-RUN DRIVER ARRESTED

Merrill Roger Grant, Campbell, was arrested Sunday and booked in the County Jail for hit-and-run driving after he allegedly struck Albert Straub near Moorpark Ave. Straub, only slightly injured, received treatment at the County Hospital.

An unidentified witness to the accident chased Grant to Hazel Ave., where he was taken into custidy. At the County Jail he was adjudged by Dr. Louis Lackner to be under the influence of liquor.

FINGERS INJURED

It's fingers featured in this week's accidents—Archie Keesling is going about with a bandaged member which was severely cut in a buzz saw. Little Judy Clever, daughter of Mr. and Mrs. Chet Clever, had to have eight stitches taken in one of her fingers after she fell and cut it on a milk bottle.

Jones Service Wins First Half

The Jones Service team won the first half title of the Campbell Basketball League by defeating Strong Bros., 33-27, last Thursday evening. That same evening Nelson Sport Shop defeated Field's Store to place second in the first half. Strong Bros., Field's Store and the American Legion tied for third place with three wins and five losses.

The first half of the league play has been quite successful with very close games and keen competition between the five teams. There have been quite a few local fans watching the contests and getting a good deal of entertainment out of watching the former high school stars in action. It is hoped that the second half of the league play will furnish the recreation for the players and spectators that the first half did.

First half standings:

Teams	Won	Lost
Jones Service	7	1
Nelson's Sport Shop	4	4
Strong Bros.	3	5
Strong Bros.	3	5
American Legion	3	5

JONES AND STRONG BROS. WIN

The Jones Service team and Strong Bros. team got off to a good start in the first night of play in the second half of the Campbell Basketball League last Tuesday night.

Jones Service defeated the American Legion, 56-45, in the first game. Andy Livacich led Jones Service to their victory with 21 points, while "Shinny Top" Du Bois scored 16 points for the Legion five.

In the second game of the evening, Strong Bros. outclassed Field's Store, 42-29. Charles Howe hit the hoop eight times for a total of 16 points, while Dewey Kosich scored 11 digits for Field's.

Second half standing:

Team	Won	Lost
Jones Service	1	0
Strong Bros.	1	0
Field's Store	0	1
American Legion	0	1
Nelson's Sport Shop	0	0

THREE CAMPBELL HI'Ys HEAR STANLEY HACK

Representatives from Campbell High Hi-Ys clubs, along with other valley clubs attended a talk by Mr. Stanley Hack, Chicago star third baseman, at Abraham Lincoln High School, Tuesday, Jan. 21.

Mr. Hack has been with the Cubs for fifteen years, and in his talk he recollected a few of his many experiences on the diamond.

He pointed out also the need of practice and good physical health in order to become an outstanding player in any sport.

The program was wound up by having members ask questions concerning baseball in general which Mr. Hack answered.

RECUPERATES FROM OPERATION

Julius Bachman, who recently underwent an operation at O'Connor Hospital, is now at home and able to be up and about.

Co-Op Holds Annual Meeting

The annual membership meeting of the Campbell Cooperative Dryer was held at the Campbell High School last week. About 80 of the over 200 members were present.

President J. V. Gomes and G. K. Schrader, Manager, made their annual reports. 1946 was one of the dryer's most favorable seasons. 13,200 tons were dried at costs below the average on ranch dehydrator. The plant now consists of 36 tunnels, the world's largest dehydrator. To accommodate the waiting list for membership, 12 more tunnels should be built.

Mr. Shay, president of the California Prune & Apricot Growers' Association; Mr. Rice of the Field Department, and Mr. Cantoni of the Manufacturing Department, also spoke on quality improvement and improvement of operations.

The president then called for nominations for a new board of directors to serve in 1947. J. V. Gomes, J. B. Benson, Stanley B. Smith, Harold C. Jepsen and Robert Schols were elected. The new board then met to elect officers. J. V. Gomes declined to run as president for the fourth time and Harold C. Jepsen was elected president, J. B. Benson, vice-president, and Robert Scholz, secretary.

Schools Accumulate Building Funds

Seventeen school districts in Santa Clara county had accumulated $753,500 in building funds to June 30, 1946, and planned to accumulate 566,000 in the future, California Taxpayers association said today, making public its study of accumulative building funds of school districts in California counties.

Total accumulated through 1945-1946 for Campbell Union Elementary school is $60,000, and for the Campbell Union High $45,000.

The additional amount to be accumulated in the future for Campbell Union High is $10,000.

Over the state, $14,542,630 had been accumulated up to June 30, 1946, and $6,034,137 additional was certified to be accumulated.

Accumulations are made under California state law which provides that funds may be accumulated over five years for any project. Monies from taxes levied and other sources, including unencumbered balances, may be used. The law permits considerable flexibility in changing plans.

Trustees of nearly 300 California public school districts have set aside money for expansion of class room and plant facilities in this way, the association said.

RECUPERATING SATISFACTORILY

The many friends of Mrs. Gene Hodges will be happy to learn that she is recuperating most satisfactorily from her recent operation and will return home from O'Connor Hospital soon.

CHAMBER URGES PARADE PARTICIPATION

The Chamber of Commerce Parade Committee is urging all individuals, merchants, businesses, adult and youth organizations to enter floats in the annual Old Settlers' Day parade. They suggest bands, horses, dog-carts, marching groups or any other parade feature.

William C. Henley, chairman of the event, says that there will be judges and prizes for the best entries. A small registration fee of $2.00 will be charged to merchants and business men.

Fill in the entry blank below to enter the parade Feb. 22, 1947.

Scouts Celebrate 37th Anniversary

Over nine million active and former members of the Boy Scouts of America will observe the founding of this great youth organization during a week-long national celebration, starting with the official Scout Week broadcast, Feb. 8, over the coast-to-coast network of National Broadcasting Company.

The special half-hour program will be presented at 1:30 p. m., P.S.T.; 2:30 p. m., M.S.T.; 3:30 p. m., C.S.T.; and 4:30 p. m., E.S.T.

The 1947 "Salute to Scouting" will star NBC radio comedian Bob Hope, who will be assisted by his famous side-kick, Jerry Colona. Also on the program will be the famous Robert Mitchell Boys Choir, the country's only singing Boy Scout Troop. The program will originate in the Shrine Auditorium in Los Angeles, before an audience of 8000 Scouts.

The Chief Scout Executive of the Boy Scouts of America, Dr. Elbert K. Fretwell, will address the nation-wide Scout organization from New York City, and the Attorney General of the United States, the Honorable Tom Clark, will speak from Washington, D.C.

Dr. Fretwell urged every leader and boy belonging to the Boy Scouts of America to listen and participate in this annual N.B.C. broadcast.

Cub Scout and Boy Scout leaders from all parts of the Santa Clara County Council will gather Sunday evening, Feb. 8, at the Scottish Rite Auditorium in San Jose, for the annual dinner and ladies' night of the Council. Judge Wm. F. James, president of the Council, will act as toastmaster for the event.

The guest speaker of the evening will be Kenneth K Bechtel, chairman of Region Twelve, Boy Scouts of America. The region includes California, Arizona, Nevada, Utah, and Hawaii. Mr. Bechtel started his Scouting career as a Scout of Troop 4 in Oakland, and has served as president of the Marin Council, a member of the Regional Committee and a member of the National Operations Committee. During the war he was president of the Marinship Corporation which built Liberty ships and tankers at Sausalito. Accompanying Mr. Bechtel will be Roland E. Dye, Deputy Regional Executive from Los Angeles, who will install the 1947 Council officers.

The presenting of the Silver Beaver Award, report on Council activities during the past year, and a dramatization by Boy Scouts will be included on the program. The committee in charge of arrangements for the evening is headed by Walter Borchers, with Milton Ryder and Judge John D. Foley assisting.

STOLEN PURSE RECOVERED

Miss Marion Peake parked her car in front of the postoffice last week and went quickly in to mail a letter. On her return, only a few seconds later, her purse had been stolen from the front seat of her car. Although there was only a small amount of money in it, the purse contained valuable papers. It was made of a rare leather and had been sent to Miss Peake by a friend in South America.

Two days later the purse was returned—it had been found hanging on a tree in an orchard near Willow Glen.

SENIOR CLASS PLAY CAST ANNOUNCED

Dean Chamberlin, director of the senior play at the Campbell Union High School, has announced the cast for "Life of the Party", to be shown March 13 and 14. Included are Wayne Sisk, Glenna Applegarth, Mary Monroe, Gayle Broks, Ron La Mar, Loren Sylva, Charles Cutting, Chispa Gwynn, Barbara Dent, Pat Ralston, Shirley Goodell, Katherine Kollmer, Al Nickels, Leonard Ellis, Raymond McVea

Celebration Plans Progressing

Planned as the most pretentious Old Settlers' Day since the beginning of the war, this year's annual tribute to the early settlers of the town will include an old-fashioned, all-day program complete with morning parade, speaker, music, afternoon program at the high school auditorium, a basketball game, drills, a three-act play, all climaxed by a Legion-sponsored dance in the high school gymnasium. T. A. Cutting is serving as general chairman of the day.

A large number of organizations and merchants have signified their intention to enter the parade and, in addition to the floats, there will be a drum and bugle corps. The parade will form at 1:00 o'clock at the railroad tracks and proceed to the high school. In charge of the event will be William Henley, assisted by Howard Smith and Al Carter. They are planning prizes for the best entries and more than usual interest is being shown in the competition.

The afternoon basketball game, to be presented without charge, will be interspersed with a drill by the Ne Tops Council, Degree of Pocahontas.

Lowell Benson, in charge of the evening play and dance reports that the Footlighters are rehearsing three evenings a week to perfect their brilliant comedy, "Springtime for Johnny". Johnny, it seems, is a young man who is about to inherit a department store. He wanders accidentally into the sporting goods department and a case of mistaken identity results with amusing complications.

Lloyd Nelson will take the role of Johnny, with Ruth Stoner, as a salesgirl with ambition, playing opposite him. Greg Parker also has a leading role as an ex-golf pro and it's rumored that Ida Levenberg is a hit as a salesgirl "without ambition".

Others in the cast are: Leila Merritt, LBen Howard, Archie Keesling, Budd Levenberg, Lee Murdock, Ellen Lanphear, Thais Ackerman and John Stoner. Serving as prompters are Mabel Keesling and Barbara Root. Ethan Lanphear, assisted by Mac Ross and Warren Turner, is in charge of the properties.

Tickets are now on sale at all the local business houses and stores. Proceeds from the play will be divided between the sponsoring organizations and the Chamber of Commerce.

Gasoline Tax Distributed

Thomas H. Kuchel, state controller, today anounced that the apportionments of gasoline tax for the quarter ended December 31, 1946, amounted to $18,668,980, representing an increase of 21 percent over the corresponding quarter of 1945.

The 58 counties of the state received $6,222,993 and the balance was transferred to the state highway fund, from which the Division of Highways will allocate $3,111,497 to be expended for street and highway construction and maintenance within the cities of California. The remaining $9,334,490 will be used for the purpose of improvement and construction of the state highway system.

Kuchel reported that a total of $20,756,264 was collected in gasoline taxes for the period ending Dec. 31, 1946. Refunds to purchasers of gasoline not used on public highways totaled $2,008,569. Deductions for administrative expenses of the fuel tax division of the state board of equalization and of the motor vehicle fuel tax refund division of the controller's office amounted to only $79,810, less than one-half of one percent.

Orchard City Grange Report

Orchard City Grange met in regular session at 8 p. m. Jan. 28 with Worthy Master H. M. Shadle presiding. During the lecturer's hour, Mr. Willard E. L. Croy, instrumental music instructor at Herbert Hoover Jr. High School, presented a group of songs.

County Deputy Carl L. Ryser made his official visit to the Grange and gave his instructions for the year's work.

Several resolutions were passed. The Grange condemns the bill asking for an increase in gasoline tax to build super highways in California. It endorses the stand of the California State Grange asking that the Central Valley Irrigation and Power project be finished by the Bureau of Reclamation, and that the acreage limitation of 160 acres be maintained for irrigation. It asks the County Board of Supervisors to pass a county ordinance for the control of shot hole beetle, which is ruining many of our orchards.

Mr. and Mrs. John Gordon and Mrs. Jessie McChesney prepared refreshments and decorated the banquet hall.

Committees appointed by the Worthy Master are as follows:

Legislative — Henry Barnes, chairman; Martin Walsh, Geo. Shattuck.

Taxation — David Rutherford, chairman; R. B. Hummell, Frank H. Benson.

Conservation — Lloyd Gardner, chairman; Lawrence E. Hendricks, M. G. Del Mutolo.

Cooperation — Jerry Locke, chairman; Stanley B. Smith, Joseph Gomes.

Marketing—Mervyn Keesling.

Gardening — Marie Barnes, chairman; Jessie McChesney, L. R. Cody.

Farm and Orchard—W. W. Lester, chairman; Geo. L. Husted, Robert Lear.

Civic Improvement — Martin Walsh, chairman; Joseph McKinnon, Ralph A. Husted.

Education—M. F. Hughes, chairman; Lavina Grattan, Harry A. Wann.

Poultry — James A. Brandt, chairman; Jessie Shelley.

Hospitality—Nellie Rutherford, chairman; Malissa Smith, Leone Keesling, Annie Hedegard.

Welfare—Mae Walsh, chairman; Zelia M. Rhea, Charlotte Sutter.

Music —Marie Barnes, chairman; Virginia Rutherford, Samuel Le Croy.

Decorations—Ora Lear, chairman; Anna Locke, Jessie McChesney.

Publicity — John C. Gordon, chairman; Ruby Crow.

Home Economics — Katherine Shadle.

Membership — Ruth Livingston, chairman; Helene Hughes, John Gordon, Lambert Skillman, Flora Raab.

Degree Teams—1st and 2nd, Werner Raab; 3rd and 4th, Jessie McChesney.

Next meeting, Feb. 11. The Future Farmer chapter of the Campbell Union High School will present the program and be honored by the presentation of several books for their library by the Grange.

Grand Teton National Park, in northwestern Wyoming, was created in 1929.

Guatemala Christmas

Since so many of the friends of Miss Jane Parr and the Paul Beckers are interested in learning more about the country they have chosen for their new home, Mrs. Becker and Miss Parr have written a colorful account of their first Christmas season in Guatemala:

"Dec. 4th starts the Christmas fever in Guatemala. On this night St. Nicholas comes to check up on the behavior of all children. On the morning of the fifth the good children find candy, oranges, raisins and small gifts in their shoes. This is a forecast of things to come. The custom was brought here by Dutch and German families and gains in popularity with the Guatemalans each year.

During the day o f the seventh the natives make great piles of branches in front of their houses. Right at six o'clock the bells ring and whistles blow and the fires are lighted. You can look up any direction and see fires for miles, all accompanied by firecrackers. This chases the devil away from the house for the coming Christmas season.

"I was alone in the house that night when my Maria rushed into the front rom and screamed something. I knew full well the house was going to cave in so I followed her out the front dor. She excitedly built a fire and danced around much like a small child with a new toy. All the excitement lasted about 15 minutes and then we could go on with our work secure in the fact that the devil wouldn't interfere. I guess it worked because we had one of the best holiday seasons ever.

"The fifteenth was the day of Our Lady of Guadalòupe. A Mexican peon had a vision of the saint, so all of the children here are dressed as poor indians on that day in hopes they may have the same vision. The small children are very cute dressed up as men complete to a fake moustache. At four in the afternoon the figure of Our Lady of Guadaloupe is brought from the church and slowly taken down the street. Jane and I walked in this procession for five blocks and were amazed at the orderliness. For eight blocks ahead and six in back of us we could see a solid mass of humanity moving in time with the drum that were beating. We also noticed that being Gringos we were a head taller than any of the others around us.

"All through December the markets increased in color. Around each market and into the s treets were stalls crammed with decorations to sell. Some were machine made decorations that had been imported. Most were pottery figures made here. They also sold colored sawdust to be used in nativity scenes.

"Xmas trees did not appear in number until a few days before Xmas. At all times you could buy pine needle rope for a penny a yard. It made beautiful garlands and lent itself to draping very effectively. Poinsetias were piled in heaps and to see a cart of them going down the street was really a sight. The radio station closed each program with "Guatemala, El Pais Del Pascua" and it truly is the country of the Christmas Flower."

Here Jane Parr has a bit to add—"One of the very best events of this Christmas Season in Guatemala was the open house given by Sr. and Sra. Sanchez at their beautiful home in Santa Clara district of the city. Sra. Sanchez being a native of Boston but a Guatemalan by marriage and residence, planned a party flavored nicely with the best customs of each land. The lovely home was decorated from top to bottom with green garlands and wreaths and large bouquets of poinsettias from the garden. Candles were lighted in every window both upstairs and down. With no other light the effect was perfect.

"Just as the last of the 200 invited guests arrived the music started. For that, Mrs. Sanchez had asked for singers to help her out. About 20 responded gladly and after a few rehearsals, each of which was a small party, the carols were pronounced ready. In her 'spare time' the hostess had prepared a group of children to help with a few songs of their own. I will give you the program as I think you will be interested in it: Adeste Fideles in Latin by adults. Hush My Dear, children. Born Is He, children; Good King Wenceslos, Sussex Carol, God Rest You Merry Gentlemen, El Pastorcillo, adults; Silent Night, both; Oboe solo; First Noel, We Three Kings, adults; Onc Long Ago, children; Angels We Have Heard on High, both.

"After much visiting and delicious refreshments we wished them Merry Christmas and good night, feeling we had enjoyed one of our most beautifunl Christmas parties.

"The entire round of holiday doings was crowned by attending Solemn High Mass at the Cathedral at midnight Christmas Eve. Home again about 1:30 a.m. tired but satisfied that our first Christmas in Guatemala was a most wonderful experience.

"Last Sunday a group of us left here about three in the morning and a bus transported us to the base of a volcano. We started to climb at 5:30 and three hours later were at the top o f the crater. What a view. We could see from there—the Pacific Ocean seventy miles away, Guatemala City and Lake Amatitlan spread out in front of us. We were back home again by early afternoon and spent the remainder of the day trying to gain lost sleep and get our legs back in shape.

"Tomorrow they celebrate Little Christmas here and all the stores will be closed. From now until Easter there will be constant procession and all sorts of doings. On Good Friday here there is absolutely no activity until three in the afternoon, not a bus moves or any shop opens, in fact if you are on the street before time to go to church we run the danger of being stoned!

"Recently there have been a group of men going through the city with fruit and vegetables on the brim of their hats. They are a particular branch of half Christianity and half pagan. They begin their walking trip, singing all the way, early in December and come from all over to join at a small village high in the mountains. Here is where the Black Christ is and they meet for their worship there during the Christmas season."

MORELAND NEWS

The seventh grade pupils have just completed a project entitled "Who Am I Talking About?" Each pupil wrote a historical description of some famous personality, then the class was asked to guess who the person was. A great deal of interest was shown and some very fine reports were given before the class.

Mrs. Montmorency's art class always comes out with something new. This last week her art class has created snow flakes. They are beautiful and no two designs are alike.

Incidentally Moreland School boasts of several exceptional students. Their work is very good.

The woodworking class here has finished the first semester projects well ahead of schedule. Several useful articles such as wall plaques, what not shelves, napkin holders and book ends made up the list of completed assignments.

Beginning Feb. 6 the class will begin a new project under the supervision of Mrs. Caroline B. Hayes, director of Industrial Arts.

FARM NEWS

AGRICULTURAL EXTENSION SERVICE

Proper planting technique is equally important as the selection of the proper nursery stock, choice of soil and other considerations.

It is pointed out by G. D. Worswick of the Agricultural Extension Service of the University of California, that it is of prime importance to dig a hole sufficiently wide to admit the ball or roots of the tree—allowing sufficient space to tamp the soil down by foot around the ball. The depth of the hole is of the greatest importance, especialay with sweet orange root and other rootstock, which are susceptible to the soil-borne disease known as foot rot or gummosis. Damp soil in contact with the trunk makes an ideal condition for gummosis to attack the tree.

All trees, regardless of rootstock should be planted sufficiently high so that the first main roots are at the general surface level of the soil. Plant a little high to allow for the settling of the entire soil mass in the hole.

Place the bud to the south, which will leave the bench or pruned part of the rootstock away from the direct rays of the hot sun. This part is often injured in this manner.

Fill the hole around the ball half full of soil, tamping it tightly with the feet. Cut the burlap bag from around the trunk of the tree and p ull it back against the outside of the hole. Then complete the filling, taking care to tamp the soil tightly.

Bare root citrus trees should not be allowed to dry out before planting, but they should never be held over in water. They may be heeled-in in moist sand or light soil or protected by packing the roots in damp peat moss or wet burlap.

After pruning off any broken rootlets, the tree should be placed in hole with the roots spread in a natural manner.

In setting those tres, it is best to do so with soft mud. Fill the hole with soil, adding water continuously and slowly all the while forcing the soil in between the roots carefully by hand.

A paper has been prepared by Mr. Worswick, which elaborates on planting, wrapping the trunk, mulching, irrigation, fertilization and pest control, which may be obtained by writing or phoning the Agricultural Extension Service, 201 Post Office Bldg., San Jose, Columbia 3866.

GOOD POINTS FOR SLEEPING ROOMS

Essential features of a well-planned sleeping room are good ventilation and light at all times, some means for controlling summer heat, ample storage facilities, and sufficient space for the necessary furnishings.

These are "musts" to be considered in planning to build or remodel a bedroom which are explained by Jessie-Lee F Decker, extension specialist in Home Furnishing, in the new leaflet, Plans for Sleeping Roms.

This new publication of the Agricultural Extension Service prepared by Miss Decker gives many helpful hints in planning for privacy and convenience in bedrooms. It includes plans to show how bedrooms have been remodeled to gain needed improvements.

The circular is available through the Home Demonstration Agent, Winifred Jecker, Agricultural Extension Service, 201 Post Office

CURTAINS AND COVERS

Curtain, drapery, and slip cover materials are here again, and that is pleasant news to many homemakers. Many old pieces of furniture will be renovated and covered this spring.

There are a few tricks to know about measuring upholstery for slip covers, and these have been presented very simply in a leaflet by Jessie-Lee F. Decker, specialist in home furnishing of the Home Demonstrating Office, Agricultural Extension Service. How to take measuremen.s is illustrated with drawings, in addition to directions for taking the measurements.

The leaflet is aailable to rural homemakers through the Home Demonstration Agent, Winifred Jecker, 201 Post Office Bldg., San Jose. Just ask for your free copy of Measuring for Upholstery and Slip Covers.

BIBLE CLASS GROWS

Colonel McBride's Adult Bible Class of the Methodist Church enjoyed a substantial increase in attendance last Sunday. New members were Mrs. Fred Fellman, Mrs. Frances Clever, Mrs. Boyd C. Fair; Mrs. Frances Harris was back after being absent on account of illness; Mrs. Winslow from El Monte, a guest of Mr. and Mrs. A. L. Beck, was a visitor.

All adults are invited to hear Colonel McBride at 9:45 a. m. Sunday, in explaining the gospel of John as applied to the present day living.

ROLL TO ATTEND CONVENTION

Robert I. Roll, former Campbellite and now a resident of Chemeketa Park, will attend the Tax Collectors' convention at San Diego on February 19 and 21.

COACHING CLINIC SCHEDULED

High school and junior college football and basketball coaches in the State of California are invited to attend the Second Annual Football-Basketball Coaching Clinic to be held at Stanford University, Monday, Tuesday and Wednesday, June 16, 17 and 18, according to announcement today by A. R. Masters, Director of Physical Education and Athletics. The clinic is free to all such coaches.

Recalling that in 1946, its first year, the clinic attracted 163 coaches from all over the State, with football the only sport presented, Masters predicts a much larger attendance this year. Head Football Coach Marchie Schwartz and his staff will handle football and Head Basketball Coach Everett Dean and his staff will be in charge of basketball.

Lectures, discussions, motion pictures of games, and field sessions will be included in the concentrated three-day program, with meetings scheduled morning, afternoon, and night.

Coaches attending the clinic will be housed and fed in a campus dormitory, at a nominal cost. Masters said that application blanks will be sent to all high schools and junior colleges in the State about May 1 and that registration will be accepted in the order of their receipt.

Has Unexpected Guest

Mrs. Rose Hanger received unexpected guests Sunday when her daughter and family and friends arrived from Salinas to hear the pipe organ dedication concert at the Methodist Church. In the party were Mrs. Homer Bronson and her daughter, Brenda, and Mr. and Mrs. Willard Farr and their daughters, Barbara and Betty.

Mrs. Farr is organist at the Methodist Church in Salinas and Mrs. Bronson is choir director in the same church.

PARENTS ANNOUNCE ARRIVAL

Mr. and Mrs. Joseph E. Richardson are the parents of a baby girl, Lynda Sue, born Jan. 17 at O'Connor Hospital.

RETURN FROM SOUTH

Mr. and Mrs. Dan Clark returned last week from a jaunt to Southern California. While there they visited Dr. and Mrs. W. I. Merrll, who sent their regards to their Campbell friends.

Birthday Parties Galore

The "younger set" has been kept busy lately with a large number of birthday parties. Among the young hosts was "Skippy" Stewart, small son of Mr. and Mrs. Jack Stewart, who entertained a group of his friends at his Latimer Ave. home on Jan. 26, to celebrate his fourth birthday. Present for the festivities which had a Valentine motif, were Bobby, Connie and Dickie Hammond, Richard Harris, Sandra McNair, Judy Bogner, all of Campbell; Jimmy Moore, Johnny and Kathie O'Toole, Dana Abbey, of San Jose; and Jackie Benjamin of San Leandro.

On Jan. 31 little Jacqueline Joyce Enfantino, daughter of Mrs. Eldora Enfantino of Campbell and Mr. Anthony Enfantino of San Jose, celebrated her third birthday at the home of her maternal grandmother, Mrs. Louise Oliver, 125 Harrison Ave. Present at the party at which cake and ice cream were served were her uncles and aunts: Mr. and Mrs. Stanley J. Oliver and son, James Anthony; Mr. and Mrs. A. M. Pankoski of Campbell; Mr. and Mrs. Richard Oliver, and Mr. and Mrs. William D. Oliver of San Jose. Also present were her grandmother, Mrs. Louise Oliver, her father, Mr. Anthony Enfantino, and her brothers, Bobby Lee and Edward Francis, and her mother, Eldora Enfantino.

Another recent birthday hostess was little Miss Heather Howard, daughter of Mr. and Mrs. LBen Howard, who observed her seventh birthday with a party last Friday. Present were Diane Nelson, Caroline Titus, Nancy Binley, Marilyn and Nancy Rice, Judy Ackerman, Laura Gordon, Joyce Peterson, Valerie DeLawrence, Martha Long, Sandra Edwards, Esther Willis, Terry Tindall, and the honorees' two sisters, Joline and Sandra Howard.

HERE FOR VACATION

Orville M. Brown and Herbert Brown are spending the "between semester" vacation at home with their parents, Mr. and Mrs. R. Lewis Brown.

Orville, who attends the University of Southern California, has as his guest his roommate, Earl C. Bostrom. Herbert is attending the San Francisco Junior College.

Ada Rebekahs Initiate Candidates

A very impressive ceremony was presented by the degree team of Ada Rebekah Lodge of Campbell on Tuesday evening, Feb. 4. Six candidates were admitted into the lodge by initiation. The new members are: Barbara Root, Reba Chappel, Annie Tatum, Gladys Keesling, Leila Merritt and Herman Rice. The degree team was led by Thelma Whitmore and Catherine Cole.

Following the meeting the members retired to the dining hall to enjoy the refreshments prepared by the chairman of the evening, Molly Crawley.

Members are requested to remember that on Feb. 18, District Deputy President, Gertrude Argall, will make her official visit. The evening has been designated as Colonial night and everyone is asked to wear a costume.

CELEBRATE BIRTHDAY

Mr. and Mrs. Chet Clever celebrated Mr. Clever's birthday last Saturday with dinner dancing at the Club Flamingo.

MRS. WILLIAM KOERITZER ENTERTAINS

The home of Mrs. William Koeritzer, Harriett avenue, was the scene of a baby shower given recently in honor of Mrs. Karl Nerell of Saratoga.

Guests included Mrs. H. Hild, Mrs. E. Stuart, Mrs. Van Cott, Mrs. Shuart, Mrs. A. Nerell, Mrs. B. Brickley, Mrs. E. Spencer, Mrs. G. Moore, Mrs. M. Elliot and Miss Joan Hild.

Founders' Day To Be Observed

The Campbell Union High School PTA unit will hold a Founders' Day program on Wednesday, Feb. 12, at 2:30 o'clock in the Little Theater of the High School. Mrs. J. Madeira, Founders Day chairman, is in charge of the program, which will include a dramatization honoring Alice McLellan Birney and Phoebe Apperson Hearst, founders of the PTA fifty years ago. Past presidents of the unit will be accorded special recognition.

The executive board will meet at 1:30 o'clock in the High School office.

CARD PARTY PLANNED

St. Mary's Catholic Circle of Los Gatos is sponsoring a card party at the Los Gatos parish hall on Wednesday, Feb. 12 at 2:15. There will be refreshments and prizes and everyone is invited to attend. The hall is located at Tate and Bean Sts., in Los Gatos.

STORK FEATURED

Mrs. Fred Jones, Jr., and Mrs. Milton (Bud) Bachman of Irvington will be joint honorees at a layette shower tomorrow afternoon at the home of Mrs. Jack Murdock. Co-hostesses with Mrs. Murdock will be Mrs. Bryce Whitmore, Mrs. Gladys Lingo and Mrs. Walter Silberbauer.

MOVE TO CAPITOLA

Mr. and Mrs. William Trigwell, former residents of Rutland Ave., are now at home in Capitola.

New Arrivals

Being welcomed in the community are Mr. and Mrs. Leslie White and their daughter, Beverly, who are now residing on the San Jose-Los Gatos Road after arriving from Salem, Oregon, where they have made their home for many years. Mr. White is the new foreman at the Campbell Press and his daughter is enrolled as a sophomore at Campbell Union High School.

BAY AREA VISIT

Mrs. Emily Duncan returned recently from a 10 day visit in the bay area with her two sons and daughter. She was also a recent hostess for a baby shower in honor of Mrs. Fenton Hill of San Jose. Mrs. Joseph Reed of Stanford University was co-hostess.

BIRTHDAY OBSERVED

Something unusual in the way of birthday parties took place last Friday when L. E. Garcia was host to his 26 employees at an early morning breakfast held at the Blue Bell Cafe. In addition to a handsome birthday cake, Mr. Garcia was presented with a pen and pencil set as a birthday remembrance from the Garcia staff.

DENTS TO VISIT

Faculty members of Campbell Union High School will honor Mr. and Mrs. James Dent with a dessert dinner tomorrow evening at the school prior to the basketball game. The Dents who now live in Vallejo will be week-end visitors here.

The port of Portland is Oregon's chief commercial terminus.

Birthday Tea Is Social Success

A most delightful afternoon was spent by members of the Country Woman's Club of Campbell at their birthday tea Monday afternoon, Feb. 3, when they celebrated their 42nd anniversary.

The club room was decorated with arrangements of blossoming quince. A beautifully decorated birthday cake served as center piece in the attractively decorated tea table. Mrs. H. F. Cousins, president, and Mrs. E. I. Price, first president of the club, poured. A welcome guest was Mrs. Bertha Janes Lopez, a charter and honorary member of the club.

Mrs. Cousins presented a corsage to all past presidents present: Mrs. E. I. Price, Mrs. E. R. Kennedy, Mrs. L. J. Carboni, Mrs. Edna Smith, Mrs. R. H. Hyde, Mrs. W. R. Morgan, Mrs. G. E. Jeffers and Mrs. C. B. Field.

The program consisted of musical numbers, featuring Miss Jeanette Gomes in a piano solo, "Chopin's Military Polonaise"; Mrs. Raymond Martin in two vocal selections, "Come Spirit of the Living God" and "Trees"; Miss Catherine Fuller in two flute silos, "Second Movement of Mozart's Second Concerto" and "Souvenir". Mrs. Martin and Miss Fuller were accompanied by Mrs. D. A. Sanders at the piano. The Carol Choir of the Methodist Church under the direction of Mrs. John Stoner, sand "Fairest Lord Jesus", "Holy Redeemer", and "O God Our Help in Ages Past".

The committee who planned such a delightful birthday party consisted of Miss Helen Stray, chairman, assisted by Mesdames G. E. Jeffers, L. J. Osborne, J. F. Duncan, Hattie Baugh, Henry Miller, Roger Atkinson, P. J. Rauch, Earl Gripenstraw and Gregory Parker.

The next meeting of the club will be on Feb. 17.

Veterans' News

With 48,000 ex-GI's returning this week to Northern California celleges and schools, the Veterans Administration is calling attention to some education benefits of which veteran students may be unaware.

Blinded veterans attending school under the Vocational Rehabilitation Act may receive reader service if their vision is so impaired that self-reading is inadvisable or impossible. VA estimates that afflicted students require about two hours of reader service a week for each credit hour being taken.

A recent VA ruling applies to students who must take field trips as a part of courses for which they are enrolled under the GI Blli. Transportation costs will be paid by VA if the costs are included in regular tuition or fees charged all students taking the course.

Disabled veterans who need more than the usual four years of training to reach their occupational objectives may be able to take additional training under the Vocational Rehabilitation Act. Severely disabled veterans who cannot attain employability in four years, and those who lose time in their courses because of health or other personal reasons beyond their control, are expected to be helped by this VA ruling.

* * *

Question: "Is it true that veterans who have no service-connected disabilities may get hospital treatment from VA?"

Answer: Yes. Many VA hospital patients are not service-connected cases. Veterans whose injuries or diseases are not the result of service may get treatment in VA hospitals if (1) beds are available, and (2) they cannot afford private hospital care.

Question: "I am attending college under the Vocational Rehabilitation Act (Public Law 16). Am I entitled to a vacation without losing my subsistence allowance?"

Answer: Yes. You are entitled to a maximum of 30 days in any period of 12 consecutive months. You would receive a full subsistence allowance for such a vacation period. Be sure you see your VA training officer before taking such vacations.

EDITOR SELECTED

Miss Katherine Stanton, Campbell Union High School senior, has been selected as editor in the new semester of the Campus Echo, student publication. She will be assisted by Barbara Putnam.

Other staff members will be Betty Bueno, Dorothy Lettig, Ernest Ray, Audrey Traina, Leonard Ellis, Charles Savstrom, and Anthony Zeppa.

BACK AGAIN

San Francisco this week is the mecca of home furnishing buyers from all over the West, drawn there by the annual Western Winter Mart.

For the first time since the war, there is evidence that the pipelines of consumers goods are filling again, getting ready to spill huge quantities of long-awaited wares into stores and homes.

14 Candidates Take 1st Degree

At the last Thursday evening meeting of the Morning Light Lodge, No. 42, IOOF, 14 candidates were presented for the first degree in addition to two from the San Jose Garden City Lodge. The second degree will be conferred on Feb. 20.

Beginning next Monday the Campbell lodge will engage in a card tournament with the Cupertino lodge.

SEES BECKERS IN SOUTH AMERICA

A letter to Campbell friends from Victor Paul Porter tells of visiting with the Beckers in Guatemala City on his way to Venezuela, where he will be employed by the Granada Oil Co. The Beckers entertained him by taking him on a picnic and made him feel very much at home in the strange city.

Approximately 37 per cent of the 13,959,000 World War II veterans already have applied to Veterans Administration for vocational training or education under Federal laws.

Grammar School Notes

There is a lot of activity going on in Miss Johns' low 3rd grade. They are studying about the Hawaiian Islands and are learning some Hawaiian songs and customs. They have just finished making leis out of crepe paper.

Mrs. Sauter, an eighth grade teacher, is going to teach the class some Hawaiian dances. She has a grass skirts and some leis in Miss Johns' room for the children to see what they are made of.

Miss Johns has some very interesting pictures and maps in her room and has one picture of Hawaii's main flower, the hibiscus.

The class has been seeing sound film and film strips with the school's new projector which helps in their studies.

Kenneth Stuckey, low 8-2.

✦

Mrs. Carbins' 4th grade room is a very interesting one.

In social studies they are s tudying about the Southern States. They are making a border with the name of a southern state and a picture of what it grows. It is a very interesting border.

Wanda Lee Kerby, low 8B-2.

✦

The first grade class under the direction of Miss Berge, has completed all of the pre-primers, and the students are now prepared to read their first real big books, "Fun with Dick and Jane." They can count by fives and tens to one hundred and write their numbers from one to five by heart. They have expert artists in their class as one can see by the pictures they have colored on the wall.

Louise Labrovich, low 8-2.

✦

The children in Miss Schneider's class will soon be studying about the World. They will be learning about the different continents, oceans, people and such countries as Mexico and South America. The children are also going to make maps of the different countries studied.

On the wall of their room they have an immense map of the World which they will follow.

The students have made some beautiful string designs in art which are pinned on their bulletin board and are very interesting and attractive.

Gilda Mazzanti, low 8-2.

✦

Mrs. Madsen's seventh graders have been writing letters in English. Now they are writing invitations to a skating party. The first row writes them, the second row writes letters accepting the invitations. The third row writes back telling them how sorry they are because they cannot come to the skating party.

Loeta Fay Snow, low 8B-2.

INSECT CONTROL MEETING TONIGHT

Fruit growers of Santa Clara county have been invited to attend a meeting tonight at 8 o'clock in Room 112, Science Building, San Jose State College.

Farm Advisor L. C. Barnard has called the symposium to give the latest information on sprays for control of insects and diseases of trees.

CHRISTIAN SCIENCE CHURCH

For the subject "Spirit" the Golden Text of the Christian Science Lesson-Sermon for Sunday, February 9, is taken from Zechariah: "This is the word of the Lord unto Zerubbabel, saying, Not by might, nor by power, but by my spirit, saith the Lord of hosts" 4:6).

The following citations are included in the sermon:

John: "It is the spirit that quickeneth; the flesh profiteth nothing" 6:63).

"Science and Health with Key to the Scriptures" by Mary Baker Eddy: "Jesus reasoned on this subject practically, and controlled sickness, sin, and death on the basis of his spirituality. Understanding the nothingness of material things, he spoke of flesh and Spirit as the two opposites—as error and Truth, not contributing in any way to each other's happiness and existence. Jesus knew, "It is the spirit that quickeneth; the flesh profiteth nothing'" p. 356).

HIGHLIGHTS ON HOME EQUIPMENT

Are you planning to buy a vacuum cleaner? There are two types of cleaners now being manufactured. The brush-agitator type, and the tank or cylinder suction type.

Selection should be based on type of cleaning to be done.

The brush-agitator type, an upright cleaner, employs suction, beating and sweeping, and is better for cleaning rugs, carpets or any napped floor covering.

The tooth or cylinder suction type is preferred for dusting and linoleum or hardwood floors and above the floor cleaning.

Both have attachments added for many uses. These should be purchased only if they will be used.

Proper care of either of these types of cleaners extends their life and efficiency many times according to Mary Lou Saunders, Assistant Home Demonstration Agent with the Agricultural Extension Service. Bulletins on care of cleaners and other home equipment are available in the Extension Service office, 201 Post Office Bldg., San Jose, or phone Columbia 3866.

Incandescent electric lights, motion pictures, the talking machine, the dynamo —"Made in the U. S. A."

Edison, genius of his time and eternally the wizard of electricity, is, like Abraham Lincoln, a personification of American opportunity. Born of poor and obscure parents, Edison rose to high honor and achievement by virtue of his vision, his ability, his toil and his enterprise. And in America he found the opportunity to materialize his dreams and produce them for Mankind the world over.

"Made in the U. S. A." labels Edison the man as well as his hundreds of inventive marvels.

Free men, with opportunity to realize their ambitions; enterprising men, with opportunity to produce; skillful men, with opportunity to succeed; hard-working men, with opportunity to profit by their labors; happy men, with opportunity to enjoy life—these are men from which Edisons spring. They are unmistakably "Made in the U. S. A."

Campbell Court Notes

By JUDGE BLAINE

Fines for January are usually light. In the last 15 years five Januaries of Campbell Court had no fines at all. But last year January fines were up to $51, and this year to $181.

The situation has become so bad that our courts are beginning to "pay", even the small ones are. The record Campbell month during last year was July, with fines of $227; but following months did "well" too, with $124, $106, $145, $207.50 and $154.

Twenty years ago the Campbell judge was told that his principal duty was to collect his salary. In recent months it has been a problem to find time to go and get it.

The growing work of our courts seems to be a price of social freedom. Spare time is the trouble-making time. In social freedom it might be said that Americans have learned to take it, but that many of them don't yet know what to do with it.

One reason for this situation is rapid social change, which usually makes for a disorganized life. It requires time for self-discipline to catch up. Unless self-discipline begins to catch up soon, we shall have more governmental regulations of personal conduct.

Already there is a demand for a County curfew law. In England, we've heard, everybody must register and even get a permit to go from one town to another. It was so in Germany before the war. Can it happen here? It is old stuff but true that personal freedom comes at a price, and that that price is sane government of self.

If government of self catches up, our greater social freedom can give us a more satisfying life than ever before.

In the meanwhile it is paradoxical that when the Campbell judge presents to the County Auditor the Campbell Court report, the Auditor will probably say, "Well, you had a good month out in Campbell, didn't you?"

Hurricane's Edge

The wind comes whistling, calling and swisthling,
Whipping through valley and roaring down dale.
Swirling and twirling and dancing and whirling,
Bending trees low, an unconquerable gale.
The hurricane's coming! I hear the storm drumming,
And beating the windows and pushing the eaves.
'Tis lashing the ocean to almighty motion,
And filling the air with fast flying leaves.
The birds are retreating before the storm's greeting.
The air is all black with their fast moving forms.
I stand, nearly slipping, the wind round me whipping,
Facing the inspiring might of the storm.

—Mary Lynne Thompson.

Scout Cagers Nosed Out By "Y"

By Dudley Herschbach
Scout Reporter

Troop 36's basketball team, "The Moreland Minutemen", lived up to their name again as they lost in the final minute of an overtime period to the YMCA "Potshots" by a 30-31 score.

This was the newly organized Minutemen's second game and their second defeat by the Potshots, who are tied for the championship of the San Jose Junior Basketball League.

The Potshots had led throughout the game by 2 to 4 points, but the Minutemen came up from behand to tie the score, 27-27, at the end of the game, only to lose by one point in the overtime period because of a last minute basket by Potshot forward Mclintie who scored 10 points for the winners. High point honors, however, belong to forward Frank Shepherd of the Minutemen, as he scored 14, four of them being free throws.

The Minutemen played a much better and cleaner game than they did in their first meeting with the Potshots in which they lost, 33-28. The Potshots gained only one point on free foul throws, while the Minutemen made 6.

The box scores for both teams:

Campfire Leaders Confab

Mrs. Frank Richardson and Mrs. W. L. Powell represented Campbell on Tuesday night at the meeting of the Santa Clara County Camp Fire Girls Council in San Jose. The purpose of the meeting was to confer with Miss Mary Fiedler, regional representative for Camp Fire Girls of Northern California, Nevada, and Utah, who is spending a week in San Jose attending various conferences of the organization.

"We in Camp Fire," Miss Fiedler says, "in helping to plan well-balanced leisure-time activities for our members, have the privilege of helping in the physical and moral development of young girls, the homemakers of tomorrow. It is the duty of every community, no matter how large or small, to help in this development by cooperating with agencies, schools, the church and the home in meeting the needs of youth today. They are, in the long run, helping themselves, because these are the girls who will grow into the type of leaders to whom others will look for guidance in the future."

VETS ADMINISTRATION STRESSES INSURANCE

The Veterans Administration today asked the veteran's assistance in bringing his insurance records up to date.

Three out of every four ex-servicemen in California, Arizona, Nevada and Hawaii will receive notice within the next few weeks that their insurance has lapsed for failure to pay premiums. And D. O. Nelson, director of the VA branch insurance office in Oakland, confidently expects thousands of such indigent replies as the one received this week from Las Vegas:

"I'm paid up but I'm still short money. What kind of business do you have?

However, if he has been paying regularly, there is no need for him to worry, Nelson said.

"Many of these veterans are in good standing," he explained today, "but their records have not been brought to date due to decentralization of 19,000,000 National Service Life Insurance accounts into 13 branch offices. More than 750,000 remittances were received in New York while files were enroute to branch offices. Thousands of remittances have been improperly signed by the veteran himself and thus cannot be credited to his account without his assistance.

"If incomplete VA records indicate a veteran has made no insurance payment since last June he is being notified. However, his insurance is still in effect if he has been making regular payments. In time every payment will be properly credited. The veteran's cooperation will expedite completion of our files and will materially assist in tracing some 10,000 improperly identified remittances in this area alone."

GRAMMAR SCHOOL NEEDS AMATEUR CARPENTERS

The Campbell Grammar School is urgently in need of benches for the children and the PTA has purchased the materials necessary. The group asks that all fathers who could help make the needed benches call William Notthig or Mrs. J. W. Knowles.

MEETS OLD FRIEND

Mr. and Mrs. C. F. Livingston, Harrison Ave., had a letter from their son, "Red", recently which told of a joyful reunion in Tokyo with a former teacher. "Red" joined the Army after graduating from Campbell Union High School last year and was sent to a camp near Tokyo where he has been stationed for several months.

Not long ago he accidentally met Miss Diana Winnia, who had been "Red's" dramatic teacher at high school. She is now a member of a Red Cross Troop Show, and was as glad to see her former pupil as he was to find a familiar face.
